AFLAS® high performance fluoroelastomer

AFLAS®高性能フッ素ゴム

AFLAS® provides outstanding chemical resistance, plasma resistance and weatherability
AFLAS® is applicable to solar cell and its manufacturing processes

AFLAS®は、耐薬品性・耐候性・耐プラズマ性に優れ、太陽電池封止材及び太陽電池用ウエハー製造工程に利用が可能です

Applications

O-ring

Tubes & Sheet

Sponge

PRODUCT DESCRIPTION

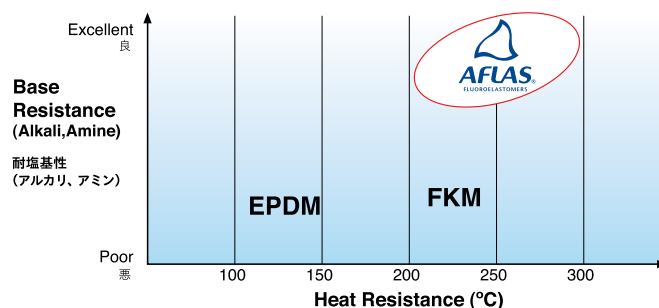

Applications Seals for cell manufacturing equipment
Seals for junction box
Gaskets for solar panel

用途 シール材
